

ECO - DTSAT3 UV LED INK

Enjoy eco-green color printing optimization

Specifically designed and original manufactured for the UV's curing system, the artisJet direct to substrate DTSAT3 UV LED ink features the following and more:

- ✓ High materials compatibility**

Wide range of print materials covering acrylic, wood, plastic, metal, aluminum, leather and many more.
- ✓ Excellent stability & smooth ink flow**

The low-solvent ingredients ink has been designed to coordinate perfectly with the print head.
- ✓ Superior scratch resistance**

Superior scratch & alcohol resistance, with great outdoor durability and under long use of the printed items.
- ✓ Smooth & sharp color quality**

Photo-realistic images, high precision printing and varied printing effects, including Braille and embossed effect.
- ✓ High durability & fixation**

High color density & perfect gradient print finishes, initiating a strong bond with the substrate.
- ✓ Environment friendly**

Eco-friendly ink, no VOC emissions, safe for all usage and harmless to humans.

Brand	artisJet	
Manufacturer	Signs Full Joint Tech Co., Ltd.	
Product name	DTSAT3 Ink Cartridges	
Ink quantity	130 ml / cartridge	
Cartridge dimensions	W*D*H	30mm * 160mm * 68mm
Cartridge weight	220 g	
Full package code	6 colors	DTSAT3-130-CMYKWW
	8 colors	DTSAT3-130-CMYKWWWW
Shelf life (from production date)	300 days	

Individual cartridges	● Cyan	DTSAT3-130-001
	● Magenta	DTSAT3-130-002
	● Yellow	DTSAT3-130-003
	● Black	DTSAT3-130-004
	○ White	DTSAT3-130-005

Printer compatibility artisJet prov6 A5 UV LED printer
 artisJet Young A4 UV LED printer
